# colouring book

It is important that where a child in the family is old enough they understand a little of what is going on at a Naming Ceremony, therefore we have commissioned a special and educationally important colouring book.

The delightful 16 page, high quality A4 size book has been carefully constructed to lead a child through the stages of a Naming Ceremony.

The picture captions include all aspects of the run up to the ceremony and the ceremony itself such as:  
 'Invitations are posted to family and friends.'  
 'Our friends promise to support us as a family.'  
 'There is a special cake and lots of food for everyone!'

Ideal if you are organising a naming ceremony to work through with your child, or as a gift for children attending the ceremony to colour on the day!
